# Information for people with walking difficulties and wheelchair users

Some **information on accessibility** are listed below. For detailed information please see the evaluation report at the end of the text.

- At the Place de la République in Wissembourg and at the Deutsches Weintor in Schweigen, two marked parking spaces are available for people with disabilities (parking space size: 350 cm x 500 cm).
- The paths between the parking lots and the respective stops are easy to walk and drive on.
- The doors to the train are 38 cm wide. The door to the wheelchair accessible passenger compartment is 100 cm wide.
- A step stool and a two-part ramp of 150 cm length and 24 % inclination are available for the 42 cm high entrance. The service personnel will assist you with boarding.
- The manoeuvring space in the wheelchair-accessible passenger compartment is 120 cm x 175 cm. There are two designated wheelchair places available.
- Seats are available (seat height 40 cm).
- Walkers can be taken along.

## Public toilet for people with disabilities at the Rue du Tribunal

- The manoeuvring space is:
- left of the toilet 105 cm x 52 cm, there is no manoeuvring space on the right;
- in front of the toilet, the washbasin and at the door at least 220 cm x 111 cm.
- To the right of the toilet there is a fixed handle.
- The washbasin is wheelchair compatible and the mirror can be seen while standing or sitting.
- There is no alarm trigger (alarm button, cord).

# Information for people with hearing impairments and deaf people

Some **information on accessibility** are listed below. For detailed information please see the evaluation report at the end of the text.

- There is no inductive hearing aid and no alarm.

# Information for visually impaired and blind people

Some **information on accessibility** are listed below. For detailed information please see the evaluation report at the end of the text.

- Assistance dogs are allowed.
- The paths usually have no visually contrasting or tactilely detectable sidewalk boundaries.
- There is no acoustic stop information.
- 

# Information for guests with cognitive impairments

Some **information on accessibility** are listed below. For detailed information please see the evaluation report at the end of the text.

- Name and logo of the touristic train are clearly visible from the outside.
- The objective of the path usually is within sight or there are signs at a constantly visible distance.
- There is no colour or pictorial control system available, the stops are not pictorially marked.
- There is no information in easy language.

# Information on the "Tourism for All" labeling system

**All establishments and locations** certified with the label "Tourism for All" meet the following quality criteria:

- Data and information on accessibility are collected and checked on site by **external, specially trained evaluators**. The method is not based on self-assessments.
- Data on accessibility is available **in detail** and can be viewed by the guests.
- At least one staff member has successfully passed a **training** on "**Accessibility as a comfort and quality feature**".

## The labeling – explanation of the logos and pictograms

The label "**Information about Accessibility**" indicates that detailed and verified information on accessibility is available for all groups of people.

The label "**Accessibility certified**" is based on "Information about Accessibility". It means that the quality criteria defined for specific groups of people are met partially or completely.

The label "**Accessibility certified**" is available in two requirement levels:

### "Accessibility certified: partially accessible".

The quality criteria are partially fulfilled for the pictured group of people, i.e. the establishment/location is partially accessible for wheelchair users. The "i" in the pictogram indicates that it is recommended to read again carefully whether the offer meets all (your oder the guest's) individual requirements.

### "Accessibility certified: accessible".

The quality criteria are fulfilled for the pictured group of people, i.e. the establishment/location is accessible for wheelchair users.

There are defined quality criteria for **seven groups of people** and a **specific pictogram** for each group.

People with walking disabilities

Wheelchair users

People with hearing impairment

Deaf people

People with visual impairments

Blind people

People with cognitive impairments
